The Archibald brings a new dimension of luxury living for the discerning urban dweller in a gateway location between the city and Bondi Beach. A coveted position high on level 16 affords a bird's eye perspective of the world's most beautiful harbour. Walls of glass frame the spectacular ever-changing vista while herringbone parquet floors and beautiful marble finishes channel a timeless New York design sensibility. An architectural masterwork designed by acclaimed architects KannFinch and Urban Possible, The Archibald stands as a monument to contemporary elegance opposite Westfield's premier retail precinct with level lift access to secure parking, landscaped rooftop gardens and first-class shopping, dining and entertainment.
